**REMARKS**

This communication documents a telephone conversation that took place on September 21, 2005 between Arthur J. Carlson ("Agent") and Sarah C. Burnham ("Examiner") regarding an Office Action Summary dated August 18, 2005 for the above-referenced application.

Agent telephoned Examiner to discuss a proper form for including allowable subject matter in Claim 5 of the application with specific reference to the inclusion of "...all of the limitations of the base claim (i.e., Claim 3) and any intervening claims (i.e., Claim 4).

Agent's understanding of Examiner's reply was that clarifications to the original specification should be introduced in an amendment to the specification

submitted as part of a Request for Continued Examination (RCE) of the application. The purpose of the clarifications would be to support elements of Claims 3 and 4 that were rejected under 35 USC 112 1<sup>st</sup> and 2<sup>nd</sup> paragraph. Accordingly, Agent intends to draft an appropriate amendment to the specification and to amend Claim 5 according to the Examiner's comments regarding allowable subject matter.

As a result of our conversation, Agent further intends to introduce an intervening claim between Claim 9 and Claim 10 to overcome the 35 USC 112 2<sup>nd</sup> paragraph rejection of Claim 10.

Agent thanks Examiner for her courteous and helpful response.

If Examiner has any questions concerning this case, please direct any inquiries to Art Carlson at 530-265-0817.

Respectfully submitted,
